## BOOK SYNOPSIS

Question Your Way to Lasting Love and Intimacy Wouldnt it be great to have a relationship coach on call to help you and your love partner have the most joyful, loving relationship possible? What if you had someone who knew exactly what to ask to draw out your deepest desires and help you calmly navigate areas of pain or conflict? Having a coach is wonderful, but if you know the right questions to ask one another, you can start right now building the relationship you both desire. The Power of Questioning Mutual questioning is a powerful technique to draw out deeper emotions and desires and address potential areas of conflict before they disrupt your closeness. The right questions inspire understanding, compassion and action for positive change. Questions like: \* What does unconditional love mean to you? \* Do I do anything to make you feel disrespected? \* How can I listen to you better so you feel completely heard? \* What should I never say to you, even in anger? \* How can I make you feel more desirable and sexy? Take Control: How Relationship Questions Can Change Your Life When you and your partner embark on a mutual questioning journey, you are committing to an intimate, satisfying, joyful life together. Rather than waiting for conflict and resentment to inflict a surprise attack, youre proactively addressing the needs and wounds both of you carry and reinforcing your commitment to the relationship above all else. This journey will be enlightening, fun, and sometimes challenging -- but the rewards are immeasurable, as you lay the groundwork for a lifetime of happiness together.
