BOOK SYNOPSIS

Based on Barron's popular and authoritative The New Food Lover's Companion, this enlarged and enhanced reference volume was written for discerning home chefs and everybody else who wants to become more knowledgeable about good food and elegant dining. This second edition has been updated with new information to reflect the way we eat in today's world. More than 7200 entries plus line art are included in this seminal work. Miniature glossaries are interspersed throughout the text. Sidebar features throughout the book offer quick tips on food purchases, as well as Fast Facts and advice on preparation, serving, and dining.
